Note from the desk of

Smt. Sudha Wagh

Founder & Hon. Secretary

After working for the rehabilitation of specially-abled persons for the last 35 years, I have realized that a lot more work is needed on social and mental handicaps that are seen around us. Mental handicaps are seen more in the people around specially-abled people and sometimes they are even infectious to a fearful degree. A person with a negative attitude can hold back all those around her/him. And so when we formed the Snehajyot Divyang Seva Pratishthan a year ago, all of us colleagues decided that we would tackle not only the mental hurdles faced by a specially-abled person and the basic physical manifestation of those mental hurdles in our public spaces, we would also identify their fundamental psychological needs and work on fulfilling them. While doing this, we would be aware and not make anyone dependent on outside help permanently. So while carrying out the programmes and plans of Snehajyot, we take care that a specially-abled person might be able to help themselves fully over a period of time.

At the completion of one year of the formation, I feel a sense of great satisfaction about the dedicated and empowering work of Snehajyot's activists. I sincerely thank & feel grateful to Mr. Arun Walavalkar, Mr. Milind Tendulkar & Mrs. Namita Tendulkar for their absolute & strong financial support to build the base of the organization.

We cannot bring what nature has not given us, but using what it has granted to us, if we are able to change the conditions around us then we have fulfilled our purpose as human beings.

1st Annual General Meeting

Mission

A mission of Snehajyot Divyang Seva Pratishthan is to help physically challenged people to know their strength by proper counselling, give them medical assistance and make them aware of opportunities available to them to earn their own livelihood.

Activities 2021-22

1. Survey and findings.

As per Statistics of Census 2001, about 21 million people are physically challenged in India which comes to 2.1 per cent of our total population. The disability rate is 2130 per lakh population. Home studies and various reports show that 12.6 million are male and 9.3 million are female. Among the five types of disabilities on which data has been collected visual disability is 48.5 % emerges as the top category. Others in sequence are in movement 27.9 %, mental 10.3 %, in speech 7.5 % and in hearing 5.8 %.

We conducted various surveys into the slum areas. It is observed that family members of the disabled are reluctant to send their children to NGOs as they firmly believe that their disable child can not do anything. To convince the parents to send their children to the Centre is a huge challenge.

2. Counselling

We arranged various counselling sessions for the disabled as well as their parents also. Most of them are depressed and to bring them out of depression, we need to give them positive strokes from outside, as well as from their parents. Only then they get motivated to do something. This is an ongoing process.

3. Medical Support and necessary treatment.

Various medical checkups were done and Doctor's expert opinion were obtained on whether the disabilities of our students can be reduced to some extent. For example, it is our experience that for many movement-handicapped people, a small surgery or regular physiotherapy has helped them to walk with crutches, rather than crawl with hands.

4. Providing life support & medical equipments.

We provided many disabled people the required life support equipment like crutches, wheelchair, tricycle, limb etc. who couldn't afford to buy them.

5. Providing capital to get self-employed

After Skill training is over, we provide students with the necessary capital in some form to start their own business or get self-employed. As they suffer from some disability, it is advisable to keep the travelling as less as possible. Hence, we advocate for them to get self-employed nearby their house. We provided all kind of support to our many students to set up their businesses. We are always in search of new ideas and opportunities which would generate income for them.

6. Skill Training

The importance of skill training is realized by our Prime Minister Narendra Modi and he launched a new program “Skill India” in the year 2015. The objectives of this program was to create opportunities & scope for talent and to identify new areas for training & skill development.

We consider disabled person's existing skills and liking before we finalize any type of training for them. At present, we give training in tailoring and craft only. A course of training includes basics of tailoring, alteration work in the early stage. Our advanced tailoring course consists of stitching gowns, dresses etc. which will generate a good income for Divyang people.

During training, we give them an honorarium which works as an incentive to put in more effort. A craft training includes making of flowers, bouquets, paper bags etc.

Any kind of skill which is developed in these students will help them to sustain on their own in any circumstances...even without us

7. Support for educational expenses of their child.

Proper and good education is very important for all of us. It is the process of achieving knowledge, values, skills, beliefs and moral habits. We assure that not only disable people are educated but their next generation also gets good education. We reimburse the school fees of their children. So we are creating a database of their children and ensuring that no child is deprived of education due to financial issues. Thus every child's right to education is protected. We believe in improving their standard of living and upliftment of the poor in a true sense.

8. Distribution of foodgrain/ Ration Kit during Corona Pandemic

During this Corona pandemic whole world was facing serious problems. In our country, particularly those who are on daily wages have suffered a lot. Our divyang people had a problem in getting meals. We have distributed foodgrains, provisional items to on an average 50 families on monthly basis since the establishment of the organization.

9. Special Vaccination Camp

In this Corona pandemic, everyone was eager to take the vaccination as early as possible and also due to shortage of vaccines there were a long waiting for getting vaccinated. It was very tough to schedule an appointment for them. So we arranged a special vaccination drive for them on the 13th of June, 2021 and 12th September 2021. Many divyang people took benefit of it.

10. Celebration of Yoga Day

Yoga day was started in 2015 by the genuine effort made by the Prime Minister of India, Narendra Modi and it is celebrated every year on the 21st of June. Yoga is a medicine that has the power to cure any disease of the Universe, even those which can not be cured by the prescription of a Doctor. To spread awareness about Yoga and its importance in the mind's of Divyang, We had arranged a Yoga camp on 21st June 2022. This was a small effort towards making Yoga a part of everyone's life. A total of 35 beneficiaries participated in it.

11. Distribution of umbrellas, raincoats in the rainy season.

During the monsoon season, we have distributed raincoats and umbrellas to the Divyang people.

12. Physiotherapy

Physiotherapy is a treatment to restore, maintain and make the most of a patient's mobility, function and well being. Regular physiotherapy treatment may reduce disability to some extent in some cases. We provided financial support for physiotherapy treatment for various disabled people specially kids as we believe that early treatment can increase the physical mobility.

13. Distribution of Diwali Faral/Sweets

Most of our beneficiaries come from poor families. They live their life hand to mouth. Where getting meal two times a day is uncertain, the question of celebration of festival doesn't arise. So in the year 2021, we distributed Diwali faral to 65 Divyang people costing Rs.78000. The purpose was to let them celebrate festival alongwith all and bring joy , happiness in their family during festival.

14. Sports Event

We had organized a sports event on 5th December 2021 of Divyang people keeping in view of World Disability Day i.e.3rd December. It was held at Dahisar Sports Foundation Ground, Dahisar (East) and 100 Divyang people participated in it. The purpose of this event was to give them confidence that they can also participate in the sports and find happiness from these sports/games. On this occasion, we honored three Divyang people who have proved themselves in the field of sports namely,

Ms. Khushi Ganatra – National Para Weightlifter

Mr. Rahul Ramugude -National Para Cricket player

Ms. Geeta Chavan -National Para Basketball player.

15. Picnic of Divyang

The Snehajyot Divyang Seva Pratishthan celebrated International Women's Day i.e. 8th March in some different way. We arranged a picnic of 35 Divyang ladies on 13th March, 2022 at Kalyani Resorts, Ganeshpuri. The expenses of picnic were not charged to them. These Divyang ladies expressed their feelings that they haven't gone for any picnic in the past. Due to their disability, their parents didn't allow them to go out of the house for such activities. On this day, they enjoyed rain dance, swimming, played games and shared their views/experiences with others. It was really a memorable day for them, some refreshing change from their day to day hard life.

16. Metro Anand Yatra

This year on the occasion of Maharashtra Day i.e. 1st May, 2022 the Snehajyot Divyang Seva Pratishthan took 44 physically challenged people for a Metro Fun ride from Dahisar to Aarey, Goregaon and return. The happiness and the smiles on the faces of Divyang people speak about their enjoyment. Many of them have travelled for the 1st time by metro. We are forever grateful to MMRDA for ensuring the safety of our Divyang people cherishing every moment of this journey.

ACKNOWLEDGEMENT: 2021-22

It is good to donate some part to others when you have more than sufficient. But when you have little, still you tend to give even a little part of that too, to a needy one is a sign of greatness.

Special Thanks

“Snehajyot Divyang Seva Pratishthan is doing a great job of making people with disabilities self-reliant by making them aware of their divinity and motivating them to prove their achievements with great affection. Best wishes to all the workers of Snehajyot!!”

- Mr. Avinash Narkar, Veteran actor

You are all connected with the flame of affection to the pain of the afflicted and the deprived. Trying hard to make them happy. This is a great meritorious act...May all the sevavratists of Snehajyot get great success for this contribution, it's my prayer to the Lord.

- Smt Padmaja Fenani Joglekar, Veteran Classical Singer
